Surprise by Disguise

In the tradition of Singers undercover, Imagine the "Surprise" on the faces of your guests at your corporate event or wedding celebration when not ONE TWO or THREE singers in disguise burst into song! It could be the person next to you, that guy that parked your car, the DJ, the Function Manager or even the Chef. But nothing is as it seems.. Performing anything from Swing & Jazz, Broadway to Opera, the music is tailored to suit your individual requirements.

Solo Surprise Singing Waiter or Chef

Our Singing Waiter or Surprise Chef can come to the venue of your choice and prepare, serve and sing for you and your guests.

Any song is possible with a repertoire that ranges from Dean Martin and Frank Sinatra to Pavarotti's finest. Our singing waiters can tailor the music to suit the theme of your reception. For an extra special touch, why not have them sing your new spouse's favourite song, or a special song for your mother and father as a token of your appreciation. You are sure to leave your guests talking about their visit long after the event. Now that's something to sing about.

Dueling Singing Waiters

If one roving singing waiter is not enough for your large-scale event, why not allow our two dueling singing waiters vie for your attention and sing up a storm for your guests?

Our dueling waiters are ideal for pre-dinner entertainment or to entertain the crowd during dinner with all your favourite songs from Broadway to Sinatra.

Surprise By Disguise 2 or 3 Performers

In the tradition of "Flash Mob" or Singers or Dancers that are undercover, "Surprise by Disguise" is the latest musical entertainment sensation for your next corporate event.

Not just waiters, chefs or maitre'd, it could be the MC, security guard or even a guest? And then all will be revealed! Offering a range of music genres of not just powerful opera to Broadway performances, but Abba or Elvis and Swing or Rock'n'Roll, we will tailor a character and musical package to suit you and your event.
